

FRIDTJOF-NANSEN-SCHULE

Public elementary school with after-school service
in cooperation with the day-care center Nils Holgersson (AKGG)

Dear parents,

Since February 2014 the Fridtjof-Nansen-Schule organizes the school's after-school service together with the day-care centre Nils Holgersson.

Participation in the after-school service is voluntary.

You can choose between the following two care options:

1. **Sign up your child for the after-school service (Monday to Friday until 2:30 p.m.).**
or
2. **Sign up your child at the day-care centre for after-school day care (Monday to Friday until 5 p.m. and including supervision during the school holidays).**

⇒ **Lunch is offered only to children who are signed up for the after-school programs!** ⇐

Please note the following information:

- Children must be enrolled for the school's after-school service at the start of the school year. Enrolment must be submitted in writing.
- Should you require childcare after 2:30 p.m., you must sign up your child at the day-care centre Nils Holgersson (charges apply). To do so, please contact the day-care centre management directly (phone number: 0561-3165875).
- Children enrolled at the day-care centre are automatically eligible for lunch.
- Children are enrolled for the lunch and after-school service for their entire time spent at the Fridtjof-Nansen-Schule. Changes can be made only at half term or at the start of each school year.
- The after-school service until 2:30 p.m. is free of charge but the cost of lunch must be covered.
- Children enrolled in the after-school service have the opportunity to sign up for fee-based extracurricular activities (AG) on selected days. Each extracurricular activity (AG) requires a fee of €30 per half term. Children can select the activities they would like to join after the summer holidays.
- Children are enrolled in the extracurricular activities (AG) of their choice for the duration of one-half term. AG activities end at 2:30 p.m. also.

Should you require financial aid regarding the cost of lunch or for the extracurricular activities, please contact Mrs. Niroumand who can provide information on your financial aid options through the "Bildung und Teilhabe" program.

If the offered childcare options do not meet your family's needs, please contact Ms. Hartmann.
